Treasurers report read and accepted motion to accept Joe second Kevin .

Membership:

-

Facilities:

Safety:

- Signs are coming along fine.
- Request for movable shooting platforms will be postponed until next month as Steve O could not make meeting.
- ATV use has been observed on the property. If you observe ATV usage on our property and they are not our Work Party personal, please contact the Rockville police directly.
- Motion to have a call meeting on April 13 for the purpose of purchasing a Zero turn mover.

Events:

- Renewal by Anderson will provide a \$100 dollar per event for participating at our events, \$300 dollars received.
- Chile cook off was a hit, close to 45 people attended.

House:

- March 28th Clubhouse cleanup scheduled starting at 9AM.
- Lawn Mowing at venues is the responsibility of the venue. Cooperation on mower usage and mower will have to be coordinated and we need to keep the venues mowed as well so it does not get knee high. A logbook will be in place for recording usage of the mower, so it gets maintained.
- Frank volunteered to help with mowing activities.
- Drew will be assisting Archery with this year's project looking to save on monies for procurement.
- April 10 to April 17th Drew is on vacation.

Motion to have a April 13 Membership call meeting for the purpose of purchasing Zero turn mower Cory second Mark. Motion passed.

- 74 tickets sold for Valentine's day profit of \$813 dollars after a few minor expenses.
- Irish night is on track.

- House noise level very high and sound panels estimate has been obtained and will require a request for additional monies will be occurring.
- Emergency lighting is also required for Clubhouse, there are a few open electrical issues that need to be completed as well pump cabinet, some outlets still not working. Do we need to include outlet and cabling for overhead projector, postponing the projector purchase to a future year.
-

Newsletters:

- Articles Due March 13th.

Forestry:

- Bill and Rick have been running work parties for Autumn Olive removal.
- Brush be gone is this an option to Round up, Frank is looking into this as an option.
- Frank will engage inspector and gain approval for current work done and receive our monies, after that the cost of the Brush Be Gone cost may exceed the \$400 dollars, we are expected to receive for the next two years.
- Chesnutt and White Pines will be coming in possible Cub Scout badge project?

Crystal Lake:
